

Corrigenda: Peixoto SR, Rocha DS, Dale C, Galvão C (2020)
Panstrongylus geniculatus (Latreille, 1811) (Hemiptera, Reduviidae,
Triatominae): first record on Ilha Grande, Rio de Janeiro, Brazil.
Check List 16 (2): 391–394. <https://doi.org/10.15560/16.2.391>

Solange Ribeiro Peixoto, Dayse da Silva Rocha, Carolina Dale, Cleber Galvão

The photographer of two figures was unintentionally omitted in the original publication. Figures 2 (page 392) and 3 (page 393) of *Panstrongylus geniculatus* were photographed and image edited by Dr Lawrence E. Reeves,

Research Assistant Scientist, Florida Entomology Laboratory, University of Florida, Vero Beach, FL, USA. We regret this oversight and thank Dr Reeves for the use of his figures.
